

Technical Note TN-665

Introduction of New Tait Orca 5000 Lens

24th May 2001

Applicability

This technical note only applies to the Tait Orca 5000 series portables that have lenses. (5020, 5035 and 5040)

1. Introduction

Summary

Tait Electronics Ltd have introduced into production new hard coated lens on all mid and high tier 5000 series (SlimTOP) product.

The reason for this change was to reduce the likelihood that the lens could be scratched whilst in transit or in use by the user.

This change is valid on any serial number above **14112127**. The change took place on **21st of May, 2001**.

CSO's: Please inform you sales staff, technical staff and dealers as so required.
